Sunday School Studies

Pre-K through 5th grade are starting their wonderful study of Abraham and Sarah and their descendants of Isaac, Jacob and Esau. Jump into class starting this Sunday, Oct. 4th to learn and understand how God shows us his love, promises, and blessings through the many parts of the story of this family saga. Bring your family and friends to the 3rd floor at 9:15 on Sunday mornings. Sunday School is cool!

Disciples Women's Ministry (CWF) members are currently selling RADA knives and more from now through Soup Day for a fundraiser. Each CWF member has order forms. If you have questions please contact Sandy Conn. Please turn in orders and money to Sandy Conn or a CWF member with checks made out to "First Christian Church CWF". Thanks for your support.

SOUP DAY IS COMING!

Our annual Soup Day and Bazaar is coming Saturday, Nov. 7, from 11 a.m. to 2 p.m. The RAMP division is busy with plans to prepare homemade chili and chicken noodle soup. We will soon be asking donations of chickens and hamburger for the soups, along with pies for our great dessert tables.

We are asking YOU to come up with items for the bazaar tables and silent auction gift baskets. The bazaar items can be crafts, food items, miscellaneous items in good condition that you think could sell. We will have a children's activity area also. Tickets will become available this coming Sunday, Oct. 4. Please consider taking a packet of 10 or 20 tickets to sell, or perhaps to donate to friends, family or co-workers.

A Word from WEeCare

Summer is about to end!

What a summer it has been! We were blessed to enroll enough children to have 5 classes. The teachers planned awesome activities and the children definitely benefitted. We've been swimming, had gymnastics, saw animals at the St. Louis Zoo and Big Joel's Safari, (in Troy, MO). We've also been to the St. Louis Science Center and Magic House, Mark Twain Cave, and seen dollar movies at the movie theater downtown. We got to conduct science experiments with Carol Davis and her teacher partner, Miss Donna, we made food with our nutrition expert, Kellie Rich from the Missouri Extension Office in Palmyra, and snacks with our individual classes. We also made crafts of all kinds as well as Father's day presents.

As you can see WEeCare children got to do a lot and go a lot of places. The only drawback is that due to insurance requirements, I am the only one who is able to drive the van and now that the beginning of school is just days away, I'm still the only one able to drive the van. I'm wondering if there is someone out there who would be willing to drive our school agers to school or pick them up from school a couple of days per week.

We are also in need of substitute teachers, especially if I'm out of the building like I was this summer. Is there anyone out there who would like to be on call as a substitute teacher if we get in a pinch? If you are interested in either position, please call me at 573-221-6858.

Until next time, I wish you much love, much joy, much peace and at least one moment of boredom before bedtime. (I can assure you that the lack of boredom this summer has given me a newfound appreciation for those boring moments!)

Because He first loved us,
Anita

GET READY TO GO NUTTY!

The RAMP division will again be having their Nut Hut booth at the Folklife Festival on October 17/18. We will sell regular and cajun peanuts in the shell. We still have a few spots for volunteers to help at the booth Saturday and Sunday afternoons. Your contribution to the cause can also be in a donation to help purchase the peanuts, noting it is for the RAMP/Nut Hut fund, and of course by stopping by the booth to buy some nuts. This is a pretty easy fundraiser and a wonderful opportunity to have presence in the community for this big annual event.
